Thank you for your support with “our”
Association;
The 4th Street Business Association!

The 4th Street Business Association is a group of business owners whose businesses are located on or adjacent to 4th Street in St. Petersburg.

The Association meets *bi-monthly* to discuss items of interest to member businesses:

- ◆ Business Development along the 4th Street Corridor
- ◆ Beautification and Landscaping
- ◆ Community Policing
- ◆ St. Petersburg City Council Reports
- ◆ Zoning and Abatement Issues
- ◆ Additional City and County Interests

In addition to informative meetings and community involvement, membership in the Association also provides the opportunity for member businesses to network with other members in order to increase leads and sales. Each monthly meeting provides the opportunity for a “Business Success” seminar presented by a member business.
